## Features

The mark of responsible forestry

- ◆ **FSC Certified:** FSC is an international non-profit organization which has created a global standard for responsible forestry. Paper is chain of custody tracked from forest to mill to ensure it came from a forest-friendly source.
- ◆ **Rainforest Alliance Certified:** The Rainforest Alliance works to conserve biodiversity and improve livelihoods by promoting and evaluating the implementation of globally respected sustainability standards.
- ◆ **WWF:** The mill that manufactures this sheet, Domtar makes an annual contribution of \$350,000 to WWF from the sale of EarthChoice products.
- ◆ **ColorLok Technology:** ColorLok Technology represents a new more advanced standard for better printing. ColorLok paper can give you more vivid colours, bolder blacks, faster drying time and overall superior printing results.
